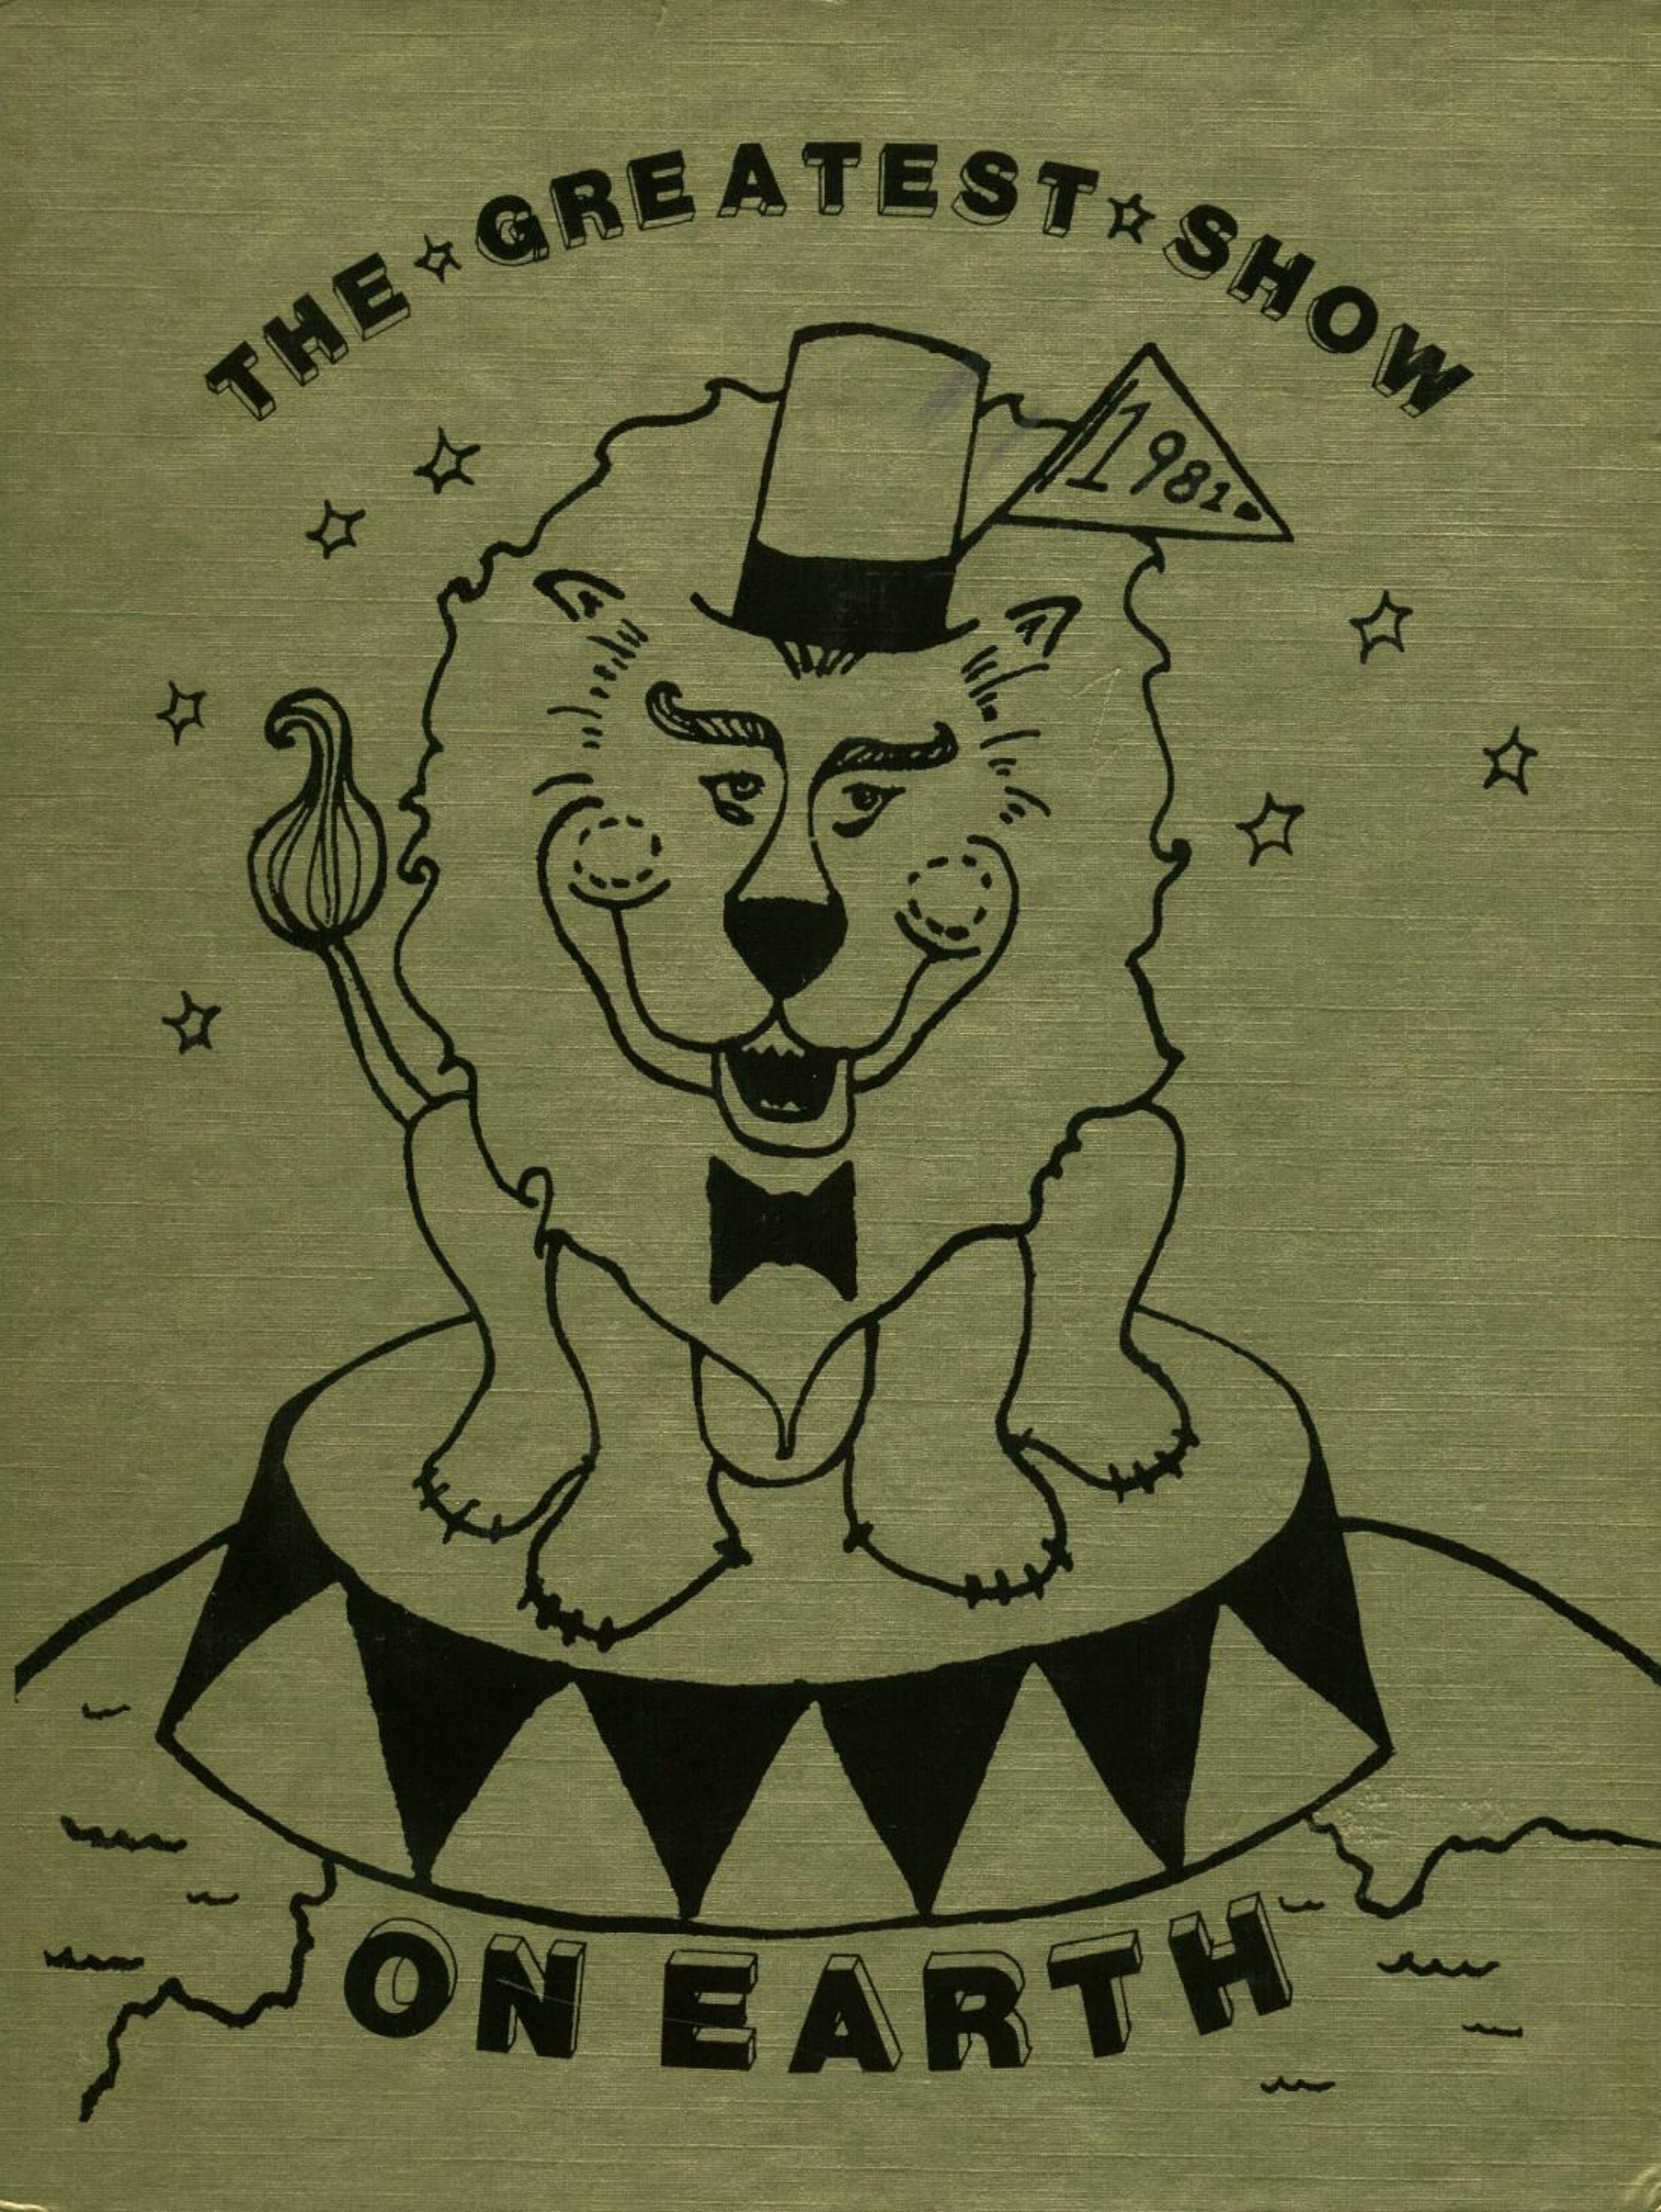
# THE GREATEST SHOW



R. L. YOUNGERMAN

Mr. Youngerman,
You've been a really fantastic & patient teacher. I've learned many new things in both chemistry & biology II. You've the qualities that makes even CHEMISTRY interesting!! Although I won't have any classes with you next year I'll be looking forward to seeing you. Thanks for being a great teacher!!!

Love,
Carol Cuder

Good luck with next year's bio II & chemistry classes!

Mr. Youngerman
I'll just take a moment to say thanks for many things" you do. I've learned these past 2 years. It's been a pleasure changing into the "last desk" cheerleader and into the "first desk" chemistry & Bio II. You've always been patient & kept at it.
Ellen

## SUPPLEMENT 1981

# SPIRIT WEEK

Spirits soared as cheers roared during Spirit Week 1981. Spirit Week, in all its glory, during February 9-13, bombarded Meadowdale with togas, new wave, sweat suits, and innumerable sets of twins. Each class had the chance to display its spirit with cheers, painted signs, and the sportsmanship most looked for by the judges. The week ended when the results were announced at the halftime of the basketball game vs. Roth. The judges announced a surprising upset with the Juniors first, Seniors second, Freshmen third, and Sophomores fourth.

Bowling for Dollars!

As the 1980-1981 Softball team progressed into a somewhat rainy season, its overall record was 9-4. In the league the team's record was 4-1 and due to rain the season had run past its May 18th deadline.

At the spring tournament at Fairmont West, Meadowdale received a trophy for second place. This year Carolyn Pavelka was awarded Most Valuable Player, Kelli Mack, Most Hustle Award, and Karmen Mack, Most Improved Award. Leaving this year's ball club is Senior Cheryl Bowers.

# IT'S A METAMORPHOSIS

Metamorphosis, the 13th annual Meadowdale art show, culminated a year of productivity and success within the art department. The art show, taking place May 3, displayed a wide variety of media including pottery, jewelry, and boutiques. Ninety-nine pieces of art from Meadowdale were displayed at the 1981 all city art show representing almost half of all the pieces at the show. Twenty-two pieces of art were entered in Scholastic competition resulting in 6 gold key awards and 4 finalist awards. Joe Kurzer received one of the two Govenor awards received in the city.

# SENIOR DINNER DANCE

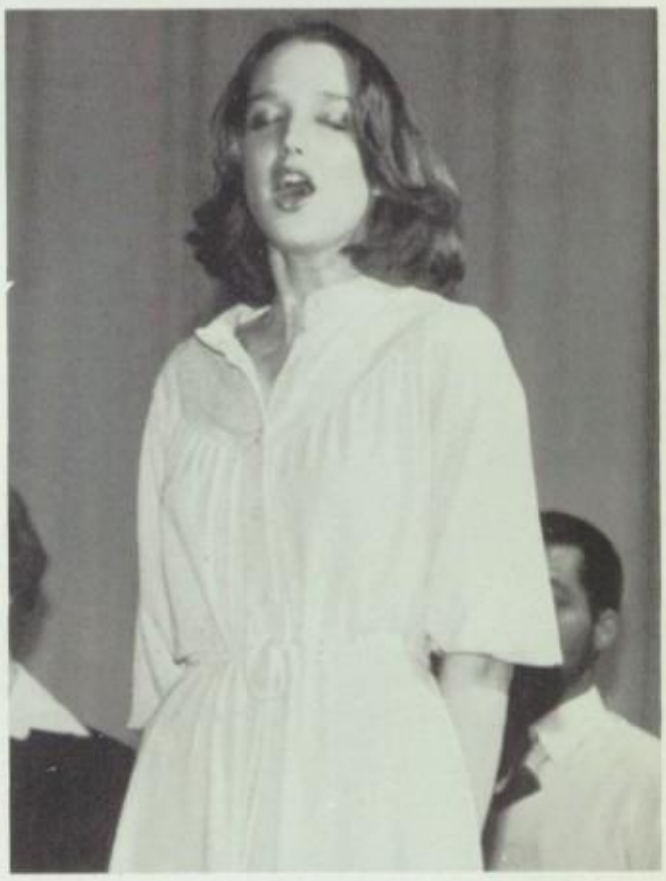
Seniors dined and danced at the Daytonian Friday, May 22, 1981. The elegant room added class to an evening of fun, dancing, eating, unity, and just being with fellow seniors for one of the last times.

# A SPLASHING SUCCESS

The overcast day of May 26, 1981, did not seem to put a damper on the Senior Swim Party at the Trotwood Aquatic Club. Those who attended swam, played basketball, rode the slide or just sat around conversing with fellow seniors.

# A SONG FEST

The Concert Choir and Girls' Glee Club joined in an evening of song and dance to present their annual Spring Concert. Directed by Mr. Heisey, the choirs entertained their audience with several selections from the musical "Barnum".



# AWARDS BANQUET

May 12, 1981, marked the annual band, lionette, majorette, and flag corps awards banquet. Among several invited guests were Mr. and Mrs. John B. Maxwell. A special award was presented to Jerry Textor for outstanding musicianship.

# COME FOLLOW THE BAND

As the graduating class of 1981 followed the band out of Hara Arena and, subsequently, out of a life that had given them many memories, they held their heads high and proved that they truly are "the class with class." Graduation has always been a moving event and this year's was no exception. Many unique additions including brightly colored circus balloons and teachers draped in their own graduation robes helped make graduation 1981 an event to always remember.

Salutatorian: Karen Mellman

# Congratulations Class of '81

The Meadowdale Athletic Department would like to congratulate all the athletes who participated in this year's sports program. Dedication and hard work are what make the Meadowdale Lions number ONE! We encourage every student to get involved and support all athletic events.

Mr. Youngerman

R. L. YOUNGERMAN

Although it seems as if I've been going to Meadowdale for ages and in a few weeks I will finally be set free, I think that I'm going to miss your friendship and your wierd but ever-present sense of humor. When I come back to visit I hope that you haven't lost it and most of all that you remember me, even though I'm unforgettable. Brian K. White "81"

A man of many talents in ever field, its only a shame your basketball career was cut short. But thats beside the point, to me you were always a good teacher, and always helpful to the gymnastic team. Your truely a credit to the teachers staff. Id only hope there will be teachers like you in coledge

Gary Bretland

Mr. Youngerman,

First of all, I would like to thank you for the scholarship recommendation. As I am basking in the luxary of the $750, I will remember you.

I have had a nice time in your two classes (three, if you count fifth period Chemistry). You are one of the few teachers who is able to interject humor into the class without totally losing control (well, sometimes!) I hope you retain that talent as long as you teach.

Mike Kahn

Mr. Youngerman,

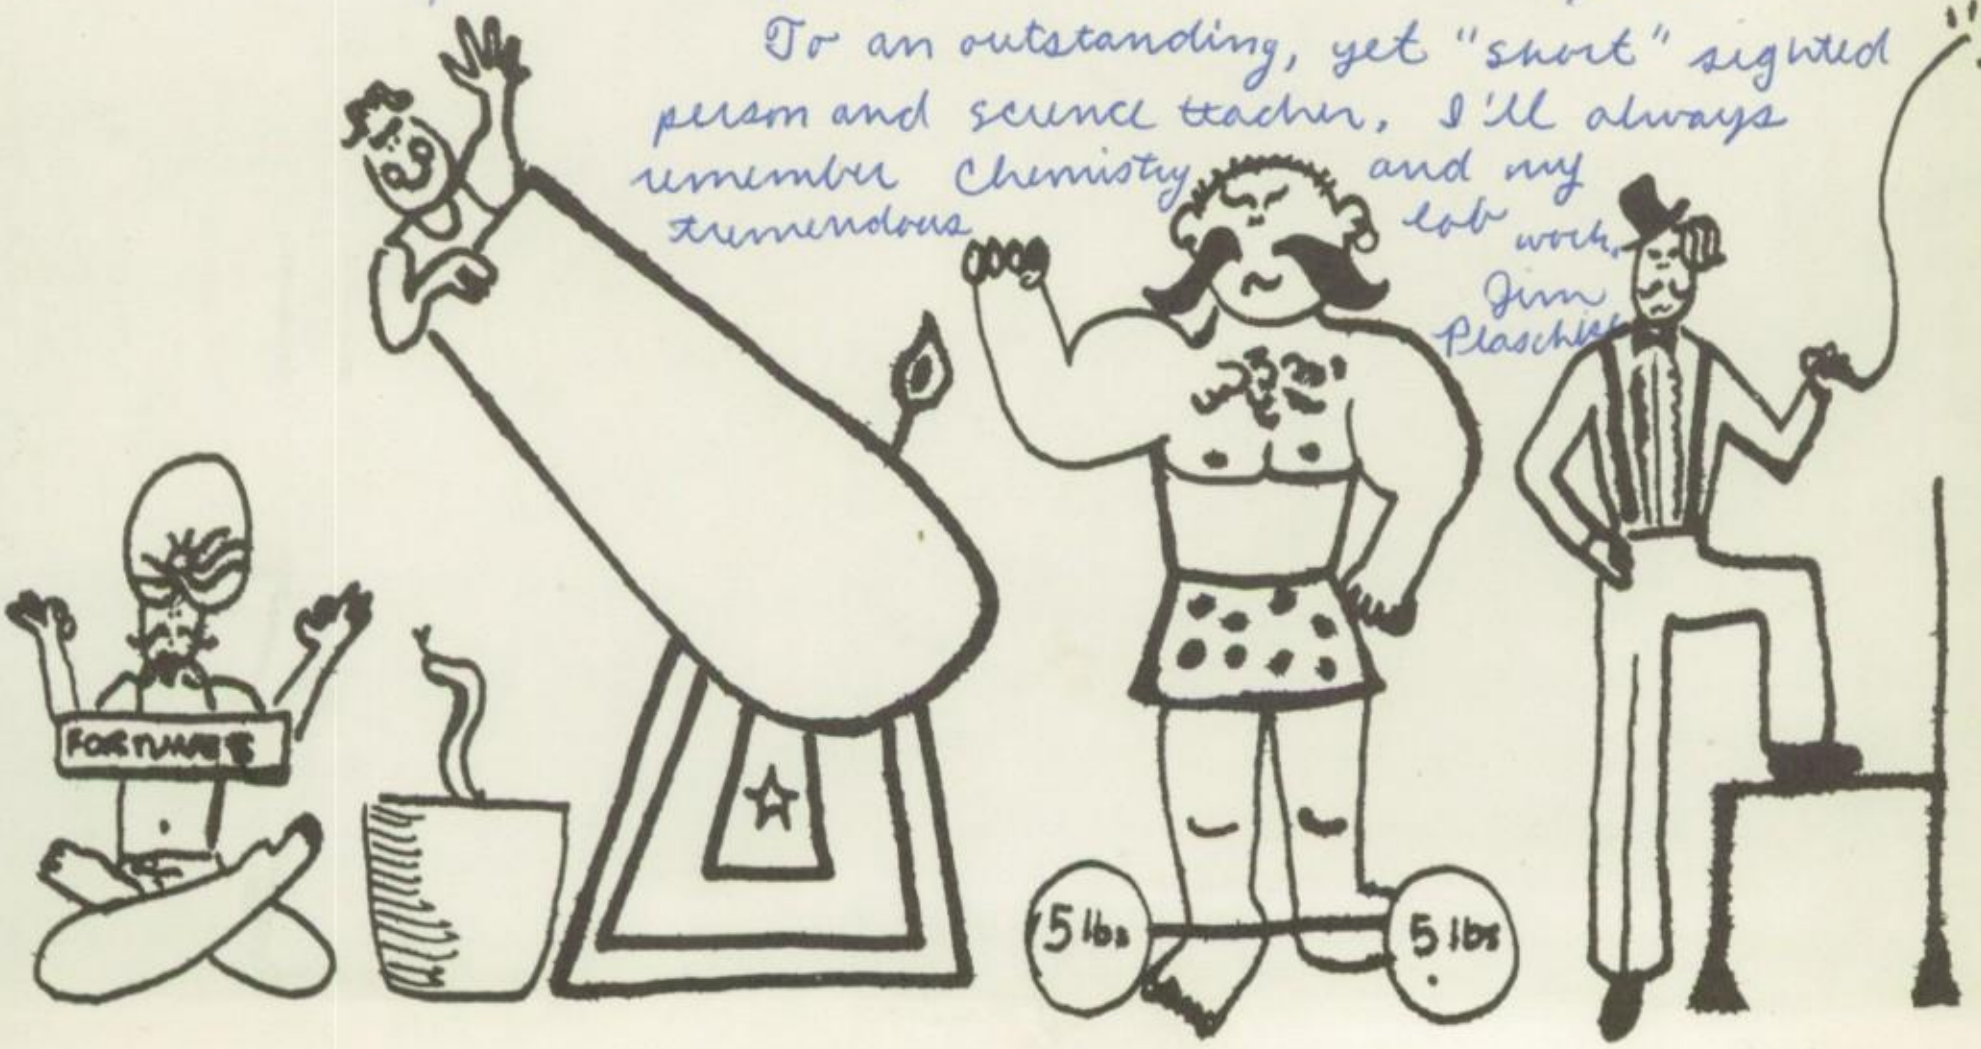
So start off with, I won't say anything about how short you are, like all these other rude people did. Ill just say that as a teacher your great but as a friend your even better. I hope that next year when I come back to visit you that you haven't lost your sense of humor and that you remember me. I know I won't forget you. Best Wishes in the years to come.

George Nicholas

mr. youngerman,

To an outstanding, yet "short" sighted person and science teacher, I'll always remember Chemistry and my tremendous lab work.

Jim Plaschke



Mr. Youngerman,
I have really enjoyed the
two years I have had you as
a teacher. My freshman year
I remembered the day you
shut your door in my face but
within the next few years in
Chemistry & Bio. II, I have come
to know you are a very nice &
personable teacher. After
I graduate from this school I will
always remember you as one
of my favorite teachers.
Thanks for the good science
background.

When the lights go down in the city,
And the sun shines on the bay,
It's time for Homecoming "80",
It's time for the band to play.

The twentieth annual Homecoming took place on October 24 and 25. The Homecoming festivities began with a victorious football game Friday night, in which thb mighty Lions defeated the Dunbar Wolverines 18-8. It was during the rainy halftime that the Homecoming court was honored.

Saturday evening the beautifully decorated gym sparkled with the theme, "When the Lights Go Down in the City," as the couples danced to the music of the band, Energy Crisis. The successful weekend was planned by Student Council.

# . . . AND THE BAND PLAYED ON

. . .

Marching Bands provide colorful excitement for high school football halftime shows. This year, our band successfully upheld this tradition. High precision drills designed by Mr. Paul Croom, our new director who comes to us from Oak Ridge, Tennessee, were performed by the band for spirited fans. In addition to marching at games, the band competed in the Tipp City Mum Festival and the Chaminade-Julienne Invitational. The highlight of the year for the band was being invited to play "Hail To The Chief" for President Carter at the town meeting in the Convention Center, an honor which proved to be a very exciting and enjoyable experience.

# AIDES

If someone were to walk into the main office here at school, they would be very likely to approach a hardworking student busy with everyday school activities. In fact, someone could walk into any other office, the gym, the library, or even a classroom, and find the very same thing. These students are not required to do this work, nor are they being paid. So just what is it about being an aide that attracts so many students' attention? Jodi Feinhor enjoyed being an aide because aides get a behind-the-scenes look at how the school functions. Most faculty members who are involved with the aide program agree that it is an integral part of the school.

# TUNE INTO ORCHESTRA

What better way to get in tune than to play in the Orchestra!

With the assistance of Mrs. Schwartzkopf, students enjoy and take pride in their instruments.

The spirit of the holidays was expressed at the Christmas and Spring concerts, where students exhibited their skills for the public's enjoyment.

One event in which many students participated was "Evening of the Strings" at Wright State University. Various high schools united to create an evening of enjoyable music.

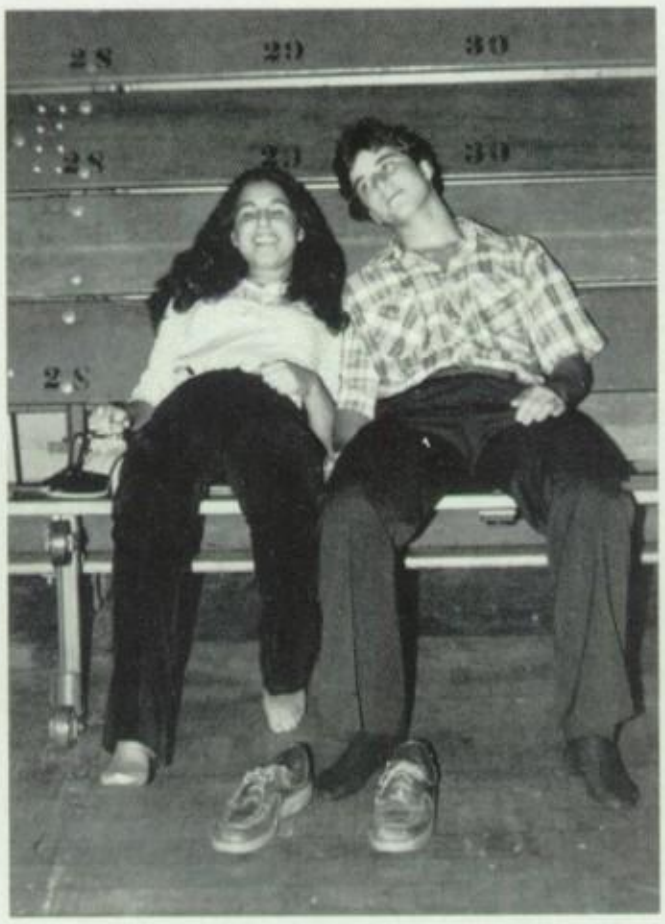
Sponsored by the senior class, it was held in honor of Meadowdale's 20th anniversary. Couples danced to the beat of the D.J., Micheal Shockley, from 8:00 to 11:00.



# WE'RE YOUR TYPE

Junior I.O.E. girls increase their knowledge in secretarial skills. Their abilities include shorthand, typing, record keeping, and Business English.

Throughout a three hour classroom period the girls develop strong unity and as one girl comments, "Everyone gets along great but the best thing is, we are all girls."

Bake Sales take place as fundraisers and the classroom bulletin board is decorated monthly to represent holidays.

# MAGNET

Magnet school has been available to all Dayton Public School students who chose to take courses which were unavailable at their home school. In the beginning, the program was located at the YWCA, but has been relocated at Roth, Dunbar, Fairview, and the Museum of Natural History. Course offerings are in Communications, Computer Technology, Urban Studies, Humanities, advanced classes in math, science, English, and foreign languages, and Museology.

# STUDENT SENATE

In Dayton Public Schools, as in any other school system, problems arise that concern the welfare of the students' education. It is the purpose of the Student Senate, a body comprised of representatives from throughout the city school system, to discuss these problems and bring about positive results. Meadowdale participants were:
Senior representative: Karen Jones
Senior alternative: Kim Clark
Junior representative: Kelli Mack
Junior alternative: Rita Jackson

The National Honor Society is an elite group of students whose purpose is to provide a tutoring service to the school. Applicants are judged by a committee comprised of administrators and teachers, on leadership, scholarship, character, and service. To be eligible, seniors must carry a 3.25 grade point average and juniors must have at least a 3.5 grade point average. The group, advised by Mrs. Meiselman, produces and funds the induction ceremony held each spring.

When people think of running the Lion's Shop practically all that comes to mind are those crazy commercials broadcast bright and early on morning K.M.H.S. Those commercials are an important part of the D.E. program, but only a small fraction of what its students must accomplish. Students learn about marketing, merchandising, management, and all the other responsibilities necessary for entering a distributive occupation.

# Pep Up with Band!

The Pep Band played at every pep rally and home basketball game. Along with the cheerleaders, it filled the gymnasium with spirit and enthusiasm. In addition to a colorful musical harmony, the band displayed visual harmony through its recently purchased matching shirts. The members of the Pep Band are: **Front Row** — Karen Weiss, Karen Jones, Carol MacPherson, Brian Dougherty, Andy Brenner, Dean Moulas **Back Row** — Mike Rahn, Ricky Burns, Buzz Goodwin, Carl Gentry, Jerry Textor

# THE MOUSE THAT ROARED

Grand Fenwick declares war on the United States, and so begins the uproarious farce of The Mouse That Roared. This enchanting comedy presented by the Meadowdale Players was performed November 20 and 21 in the MHS auditorium. After six weeks of long practices, the generally inexperienced cast delighted their audiences with their entertaining dramatization of the light comedy.

The cast and crew included: **Front Row:** Jeff Jones, Pat Shartle, Joe Kurzer, Greg Hauser, Dan Jacobson, Jackie Eder, Yolanda Marvin, Becky Schiml, and Sheila Coats. **Row Two:** Sean Nolan, Paula Rudolph, John Sipes, David Finke, Brian Hyer, Tricia Coats, Tim Timson, Mike Rahn, Marc Gup, and Lori Shuey. **Row Three:** Gary Naylor, Paul Walker, Ron Kettlehake, Reuben Schooler, James Harris, and Barry Rose. **Bottom Left Picture** — Director: Joanne Combs. Student directors: Dan Jacobson and Becky Schiml.

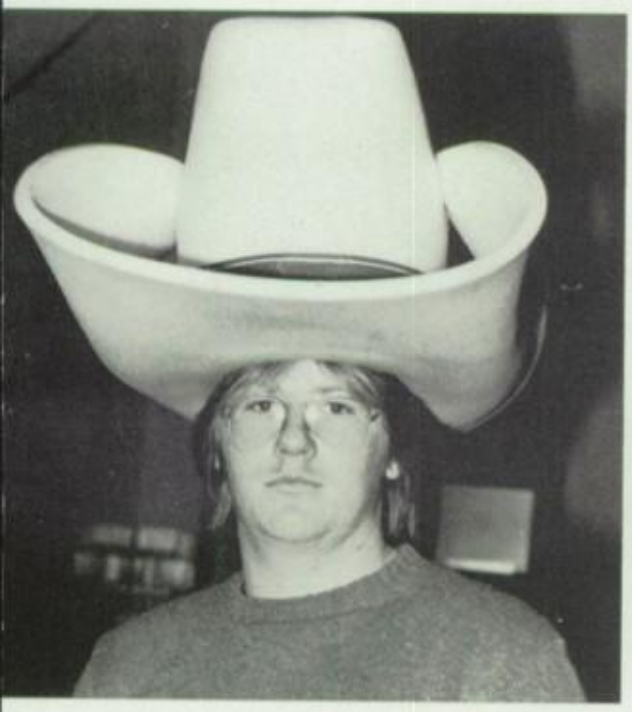
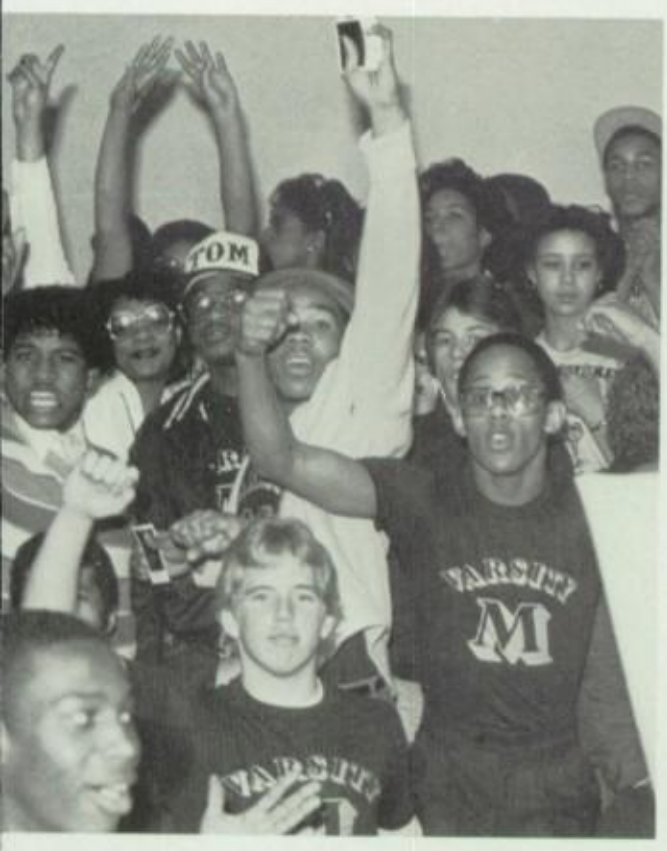
# STUDENT COUNCIL

Student Council is one of the most important organizations at school. Without it, class officer elections, spirit week, homecoming and many other school activities would not be possible. The following students have had to work very hard to make Meadowdale's twentieth year better than ever. Their efforts would never have succeeded without the constant aid and supervision of Miss Linda Webb.

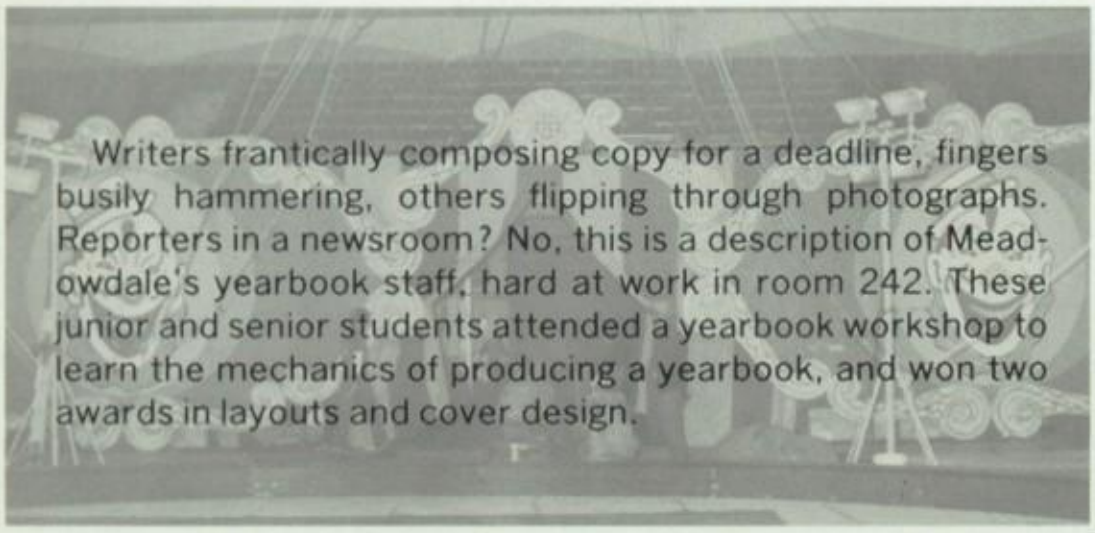
President: Denny Nolan
Vice President: J. J. Altar
Treasurer: Greg Aldredge
Historian: Leann Steineman
Secretary: Marlene Stine
Sergeant-at-Arms: Ed Macey





The Varsity "M" club was created to promote spirit and enthusiasm at the varsity basketball games. This new and unique group is open exclusively to males with Miss Webb as advisor. The sight of the energetic club has also encouraged other fans to cheer for the Lions.

# YEARBOOK



Writers frantically composing copy for a deadline, fingers busily hammering, others flipping through photographs. Reporters in a newsroom? No, this is a description of Meadowdale's yearbook staff, hard at work in room 242. These junior and senior students attended a yearbook workshop to learn the mechanics of producing a yearbook, and won two awards in layouts and cover design.

Staff — **Front Row:** Robyn Blonstein, Lana Fried, Lisa Newman, Brian White, Karen Mellman, Chris Marlow. **Row Two:** Meta Pulos, Karen Jones, Missy Rosenfeld, Jeni Hopkins, Marlene Stine, Cathy Izenson, Mrs. Gounaris, Aurelia Worley, Mark Christian, Patty Wall, Mike Hill.

# INDUSTRIAL ARTS CLUB

The Industrial Arts Club participated in many constructive activities including the design development and placement of a booth composed of exhibits by industrial arts students in the Ohio Industrial Arts Convention. Affiliated with both state and national Industrial Arts Associations, its primary purpose is to enhance the appreciation of industrial arts in the school. Club members hold speech contests, learn technical speaking, technical writing and parlimentary procedure and gain the ability to recognize and perform certain techniques. Future plans include attending both the Ohio Industrial Arts Convention and the National Industrial Convention.

Club members are: Barry Rose, Teri Seth, Doug Emerson, Mike Lively, Mr. Mitchell, Adviser.

# AN EVENING OF BEAUTIFUL MUSIC

On December 17, 1980, the orchestra, band, and choirs presented a combined Christmas concert. The highlight of the evening was a dramatic recitation given by Miss Joanne Combs.

# YOUNG LIONS PROVE THEMSELVES

For the fifth time in five years, the Lions finished in th running for the city football championship. Starting slow but gaining momentum as the season progressed, th Lions captured a second place finish in the city while ree ing off three consecutive victories at season's end.

With a starting team composed almost entirely of sop omores and juniors, the Lions enjoyed a stellar season Coach Masters' second year. The team finished with record of 5-3 in the city and 5-5 overall.

# LIONS TURN A HAT TRICK

Our fighting Lion soccer team had a very successful season with a 10-7-1 record, playing very well against perennially tough area teams, and winning a third straight city-title in an exciting last game of the year against Patterson. These same Lions have a three year record in the city of 22-0-1.
An exciting 2-2 tie against Dayton Christian on its own field could go down as the best game a Meadowdale soccer team has put together as a unit to date.

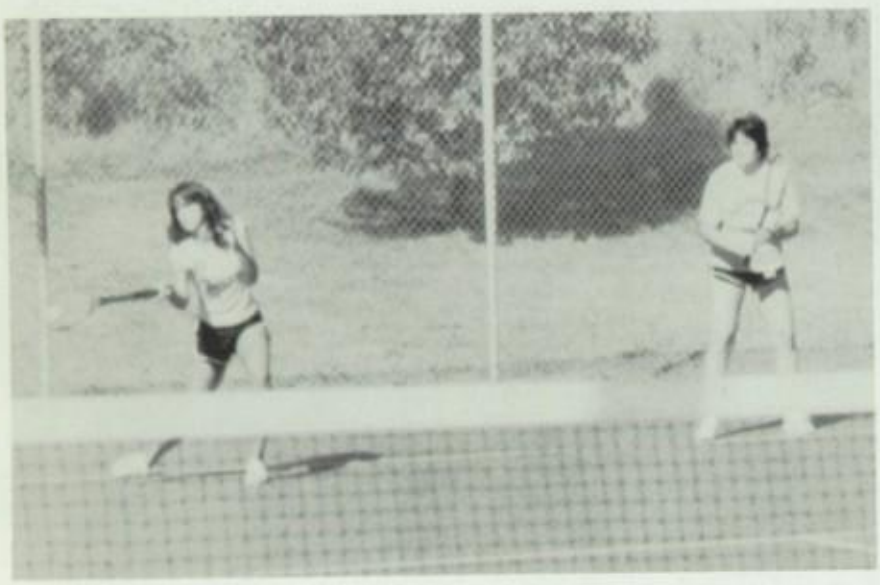
# LIONS GET INTO THE SWING

The 1980 Girl's Tennis Team aced the city championship for the 3rd year in a row. Both Beth Weiner, 2nd singles, and Jennifer Marwil, 3rd singles, were undefeated in the Public League. This young team, coached by Mr. Riley, worked hard to keep the winning tradition of Girl's Tennis alive.



Oh, nothin' to it!

# LIONS WRAP 'EM UP

Though the mighty wrestling team worked its way to a victorious season, it wasn't without its share of injuries. Yet this stumbling block didn't hinder its fighting spirit. The team ended the season with a dual meet record of 10-5, and an outstanding third place finish in the city league tournament.

The Varsity Football/Basketball Cheerleaders began their season in the hot summer days of June, 1980, practicing hard for Cheerleading camp at Ohio State University. While at camp, these spirited girls captured a 3rd place plaque out of 30 competing squads. Later, in September, the squad competed at the Dayton Mall, where it placed 3rd out of 30 squads from Dayton and surrounding areas.

# CROSS COUNTRY IS IN THE RUNNING

The Cross Country team placed second in the city. A female runner, Kathy Irwin, junior, won her second consecutive year in the city for girls' Cross Country. This year, Kathy set a new record and only missed going to state by three places. Brett Meyers was voted most outstanding freshman and received a trophy.

The most outstanding runner, since this school's inception twenty years ago, is George Nicholas. He owns a record in every meet he has ever competed. This year was his third consecutive year in winning the state. In his sophomore year he set a new record of 11:45 and this year, his senior year, he broke it with a time of 11:36. Voted most valuable player on his team, George is the best in the state and considered one of the best in the nation.

# VARSITY

The 1980-81 Varsity Basketball Team, coached by Bernie Hutson, went through a well played season with only two graduating members, Captain Craig Naylor and Senior Norman Johnson. This year's team was a young one, consisting mainly of juniors and sophomores, but the team was a strong force and we know that next year this strength will be carried out even further.

Also we are expecting a great contribution from those members on the Freshman and Reserve teams next season. This year was a tremendous effort by all three ball clubs.

# Lady Lions Shoot the Hoop

Our lady Lions' basketball team removed an obstacle this year as it jumped a barrel of inexperience. Only two seniors were on the team to provide leadership through the ring of fire and even the task master's crack of the whip, wasn't enough to provide a city contender.

Sickness plagued the reserve as well as the varsity squads through its 4-14 season, as a Lion with the flu which loses its roar.

# The Class of 1981
# Our Time Has Come

It is the end and yet a new beginning. Four years ago we came as individuals into the freshman class. We each brought our separate ideas and expectations. As the days became weeks we made friends and joined committees that made us into groups and teams. But it took our class officers to pull our groups into a class. President — Lisa Newman, Vice-President — Karen Mellman, Secretary — Kim Clark, Treasurer — Karen Jones, Historian — Cathy Izenson, and Sergeant-at-Arms — Rosalyn Harris thought of ways that our class could raise money. We had to plan ahead for the future — our future. In that year we had car washes and bake sales as fund raisers which pulled our classmates together. As the year progressed, we grew closer and by the time Spirit Week arrived we knew we were ready for the challenge. We rose to the occasion and won second place, an accomplishment we were proud of. As the year ended we marvelled at the changes that had come about in our class.

Sophomore year. The election of class officers brought many changes. The new officers included, Denny Nolan — President, Rosalyn Harris — Vice-President, Cathy Izenson — Secretary, Lisa Newman — Treasurer, Kim Clark — Historian, and Amy Sipes — Sergeant-at-Arms. But many things remained unchanged. Once again we sponsored bake sales and car washes to raise money for the class and though we got wet we also had alot of fun as our class continued to grow together. Spirit Week arrived and we pulled together to make signs that decorated the cafeteria in the style of '81. The "Super Sophs" put on a skit "Lion Man and Cub" that won much recognition as once again we had won second place. To be sure we were proud of ourselves. In the Spring we decided to have a dance as a fund raiser, but it wasn't to be and the dance was cancelled. Through the year we had learned to pull together, while we kept our individuality.

Our junior class officers, President David Fox, Vice-President Dorian Clark, Secretary Kim Clark, Treasurer Amy Sipes, Historian Pam Hopkins, and Sergeant-at-Arms Jeff Bush had a challenge to meet. It was our year to sponsor the Prom and we didn't have enough money in our treasury. So with fund raising in mind we made a second attempt at having a dance. We called it "Disco Showdown'79" and it was a success, not only as entertainment but in raising money as well. But, we weren't finished yet, as many of us volunteered our time to help Rike's take inventory, which also proved to be a success. As Spring approached we made plans for the Prom. The theme "Lover's Paradise" was a perfect title. We enjoyed decorating the Greek Orthodox Church to be paradise itself and music by Cliche' made it even more so. Afterward, the afterprom was held at the West Y.M.C.A.

We've grown into a class over the past three years and though we have known this would be our last year together, we have looked forward to having the senior cafeteria to ourselves. Our officers this year were comprised of David Fox — President, Tim Colletti — Vice-President, Kim Sharp — Secretary, Brian White — Treasurer, and Regina Kercher — Historian. In the fall, the Homecoming "When the Lights Go Down in the City" saw the rise of a new King and Queen. We voted our Queen Patty Wall and King Ron Goff to the throne with Barb Bradley and Eric Holmes as attendants. But that wasn't the only dance of the year. The Senior class sponsored a Turnabout Dance titled "He's So Shy". As it turned out, the dance was one of the biggest fund raisers in our school's history, an accomplishment we were proud of.

And proud we are. Just as the lion is a symbol of strength and pride — so too is our class. We've grown together in our separate ways — and though our time for being together is closing we know that what we have shared can never be erased. So, on this, the Twentieth Anniversary of our school, we leave. With us we take our memories of classes, dances, and friends, and hopefully a little more.

Our time has come. It is the end, and yet a new beginning.

# Noble Roman's®

## Deep-Dish Sicilian

Baked with special olive oils in an old-fashioned rectangular pan, the thick, light crust is heaped with specially blended cheeses, your choice of meat and vegetable toppings and just the right amount of tangy sauce. Thick and flavorful.

## Hand-Tossed Round

It starts with a dough ball made from scratch and hand-tossed right before your eyes. Then we add rich tomato sauce, specially blended cheeses and your choice of meat and vegetable toppings. Baked to a golden brown.

## The Monster

A Chicago-style deep-pan pizza, made from scratch in the Noble Roman's tradition. The delicious crust is thick, but firm. It has to be firm, because we really pile on the meat and vegetable toppings. And we top it off with a triple portion of our specially blended cheeses. The Monster satisfies the biggest pizza appetite.

# EDITOR'S NOTE

As our "Greatest Show on Earth" reaches its completion, it is not without a sigh of relief and remorse simultaneously. Relief from headaches of rushed pictures, retakes, reprints of pictures, and numerous phone calls. Remorse that there is not more time to add additional pictures and perfect what has already been completed. As the last deadline springs upon us, which they often do, I reminisce about the fun-filled but exasperating experiences compiling this yearbook. Our year actually began at the beginning of summer when nine staff members ventured to Eastern Kentucky University to attend the annual yearbook workshop. Five complete days were spent learning yearbook techniques, eating Domino's pizzas, toilet papering elevators, and staying up until dawn working on contest entrees. Our five days of work were rewarded with a second place in layout design and a first place for the cover design. We all came back with ideas of change to add originality to "The Greatest Show on Earth."

The economy affected the yearbook staff only to a certain degree. It gave us an incentive to work harder in selling ads and yearbooks. I am proud to say that despite the falling economy, this year's staff sold more advertisements than any previous year. This has enabled us to present you with a finer quality yearbook.

I would like to thank my entire staff and the one in a million advisor, "Madame", for working with me and putting up with me on deadline days. Without the input from all of you this book would not be possible and it would not be as lovely as I think it is. However, to some of the readers it may not be perfect, but nothing is ever perfect and that is half the beauty of it. Hard work has gone into our book and I am proud to say that I have worked on a first-rate publication — highlights of "The Greatest Show on Earth".

Many hours during school and on weekends were spent in preparation of this book. I sincerely hope that you will enjoy this book now; and, in the years ahead, I hope it will enlighten you with fond memories.

To Mr. Youngerman,

It has been really nice being in your homeroom this - better than biology, but the time has really been too short. Good luck with your future students.

To Mr. Youngerman,
I have known you for 3 years. We have had some laughs. Your class was unfair & good should of had a better grade!!! I'll remember you in the shortest way.

R. C. YOUNGERMAN

Mr. Youngerman,
It's been a really interesting year and I'm sure you knew I enjoyed it. Whether you know it or not I really did learn some things. In all you're a great teacher. On "short" both periods I had you for were the most enjoyable of the day. RMA '82

Mr. youngerman
you are a really great teacher + I thank you for all the help you have given me. I just hope you will be with me when I take your exam! Because I'll need it. Thanks for everything
RMA
Patty Wall

Mr. Youngerman,

I can certainly say that you are one of the most, if the truth says not the best, teacher I have ever had! You made 3rd period one of the best classes I have! All my other science teachers were very straight forward teaching and no fun. But, you made fun out of everything that was said!!

Best wishes always!

R.M.A.

"83"

Mr. Youngerman,

You're been a really fun homeroom teacher this year, when I was here that is. And thanks for all the help when I had Chemistry, I don't think I would of made it! Have fun! and see you at Elaine Graduation Party.

(Well Mr Y. (also know as This is sort Yogi!) of the way this year has been, one slip and a big fall. However In this upside down confused year there have been great moments and a lot of them were in our BioII class. We may not learn as much Biology as we should but we learn ~~a lot~~ a great deal and gain invaluable information about life. It's less painful when you laugh.

Love,
